

The Amazing Book Template-free version

Instructions

This template can be used for both ebooks and hardcover books.

- Download the following free fonts and install them on your computer (easily found on Google).

1. Luna Sans
2. Sinkin Sans
3. Abril Fatface

- You can easily "Drag and Drop" images onto the image sections (placeholder) and they will be replaced automatically to fit the frame.

- The table of content updates automatically by clicking **Layout > Update table of content**.
