Atossa Presentation Template

Instructions

- Download the following free fonts and install them (easily found on Google).
1. Sinkin Sans
2. Open Sans
3. Lovers Quarrel

- Download the following free font-icons and install them.
1. Modern Pictogram
2. Sosa
3. Entypo
4. You may use any other font-icons as well.

- To insert a new slide press “New slide” in the top left corner (in Home) and choose your preferred slide template.

- All slides are made on master slides so you can easily “Drag & Drop” photos.

- To change **Logo** (top right) and **address** (bottom left) of slides:

- Go to VIEW > SLIDE MASTER
- You can edit them on the FIRST master slide
